BYLAW AMENDMENT REQUEST – 23-09

Addition, Deletion or Amendment to:

Bylaw/Regulation Number _____

Policy & Procedure __Tournament & Provincials__ Page __4__

Date Submitted: __March 16, 2023_____

Submitted by: __CRMHB_____

Current Wording:

Tournament & Provincials – currently follow unwritten policy

Proposed Wording:

Tournament & Provincial Teams:

The CRMHA encourages hosting of local tournaments and participation in Hockey Saskatchewan Provincial play.

Participation in both tournament and provincial play is optional and players will not be penalized for choosing not to participate.

CRMHA is not involved in player or AP selection and use for Provincial play.

CRMHA is not involved in player or AP selection for carded tournament teams.

CRMHA will pay for one day of tournament ice-time for tournaments organized and hosted by a registered team within the CRMHA for each age division.

CRMHA will pay for ice time related to practice and provincial game play for Provincial teams that are registered out of Carrot River. On request to the CRMHA, consideration will be given to paying for ice

time for Provincial teams that are registered outside of Carrot River but contain a minimum of five players from CRMH.

Rationale:

Home tournaments will typically involve one to two days of ice time with one day being Saturday. The CRMHA currently books most of the available ice on Saturday for practice / game slots throughout the entire season. The coverage of ice time on the Saturday is effectively cost neutral. The expectation is that teams will minimize tournament registration fees such that attracting teams to participate is easier.

Provincial play should be considered a development opportunity for players within the minor hockey association. CRMHA will assist with costs associated with Provincial teams to provide this opportunity on a local level.
